Shooting at Dinnet - August 2006

Following a period of intense competition, Stewart Denton, a keen shooting man and supporter of our auction, was the successful bidder for a day's walked up grouse shooting on Dinnet Estate on Deeside. He had a thoroughly enjoyable day which was the subject of an article in the August 2007 edition of *The Field* magazine. Our thanks go to Edward Humphrey for supporting the Trust, through his kind donation of a much sought - after day's shooting.
